Parents and Youth

No doubt our culture has changed drastically over the past 10 years. There has been a loud and sometimes silent attack on the Word of God. Our culture has pushed aside God's Word and replaced it with Man's Word. In Reality Youth we stand on the sovereign truth of God's Holy Word and we will not be shaken or allow the culture to invade this ministry. This ministry team is committed to coming alongside you and your youth to teach the Word of God, Values, Moral Truth to Win, Consolidate, Disciple, and Send.

How does that look? After much prayer, discernment, and hard work we have put together a revamping of our ministry structure to better reach and impact our youth. The first change we have made is splitting our youth into Middle School and Sr Youth groups. Middle School will be 6-8 Grade and will meet in Fellowship Hall. Sr High 9-12 will meet in Sanctuary at the same time and night. Wednesdays @ 6:30p - 9:00p. The purpose of this is maturity, we can impact the youth better by speaking to the stages of life in which they are in. It has been difficult teaching so that the younger youth can understand while trying to challenge the old kids. We believe this change will be a healthier approach to teaching. Both Middle School and Sr High will join together for a ice-breaker in the beginning and then will split into their groups for powerful worship, pray, teaching and small group break-outs. We will also be entering the youth/parents into our church software so that permission slips and information can be accessed easier and with better communicated to you all. -> Please look at the back for a visual on structure.
